## Consultation ends 19th June

Only 9 days left to submit your objections

If you haven't already done so please submit your objection

**Submit your objection here**

**We have reached 2,475 online objections**

Give yourselves a pat on the back this in itself is a great achievement but we still have a long way to go to reach our target. There are just 9 days remaining until the end of our consultation period on the Hammonds Farm project. Your input and feedback are incredibly valuable to us, and we want to ensure that every voice is heard.

We have noticed that some of you have signed up for our newsletter but have not yet submitted your objection. We strongly encourage you to share your thoughts and concerns before the consultation closes on 19th June at 4pm. Your contributions are essential in shaping the final decisions and outcomes.

Please take this opportunity to submit your feedback by visiting [www.notohammondsfarm.co.uk/submission-form](http://www.notohammondsfarm.co.uk/submission-form). Additionally, we urge you to share this message with all your friends and family. Remember they don't have to live in the area or be connected in any way. Every objection counts, and widespread participation demonstrates the community's stance on this issue.

No matter what Chelmsford City Council say about the number of objections—whether 10,000 objections is a trigger number or not, we believe it is—this figure is nonetheless significant. It shows the weight of our collective protest and underscores the community's strong feelings about the project.

Thank you for your participation and support!
