# No To Hammonds Farm – Exciting Update: 1,366 Objections Submitted! Lets Keep the Momentum Going!

Dear Supporters,

We are thrilled to share some incredible news with you. Thanks to your unwavering support and dedication, we have successfully submitted **1,366 objections** via our website, [notohammondsfarm.co.uk](http://notohammondsfarm.co.uk)! This is a significant milestone in our ongoing campaign to protect our community from the proposed development at Hammond's Farm.

Your voices are being heard, and your commitment to preserving our environment and community is making a real difference. But our work is not done yet. We need to keep the momentum going and ensure that even more objections are submitted.

**Here's how you can help:**

- **Share Our Website:** Encourage your friends, family, and neighbors to visit [notohammondsfarm.co.uk](http://notohammondsfarm.co.uk) and submit their objections. Every voice counts!
- **Spread the Word on Social Media:** Use your social media platforms to share the link and our mission. Tag influential environmental campaigners and organizations such as @GreenpeaceUK, @friends\_earth, @WildlifeTrusts, @Natures\_Voice, @ExtinctionR, @sascampaigns, @ClientEarth, @WoodlandTrust, @CPRE, @KeepBritainTidy, @wwf\_uk, @SoilAssociation, @ZeroWasteScot, @ejfoundation, and @Global\_Witness. Use hashtags like #NoToHammondsFarm, #ProtectOurCommunity, #SaveOurLand, #StopTheDevelopment, #EnvironmentMatters, #ActOnClimate, #SustainableFuture, and #CommunityFirst to reach a broader audience.

- **Talk About It:** Engage in conversations with your community about why this cause matters. Personal stories and reasons for opposing the development can be very persuasive.

can be very persuasive.

- **Stay Informed:** Keep up-to-date with our campaign by visiting our website and following us on social media. We regularly post updates and ways you can get involved.
- **Lobby Environmental Campaigners:** Make sure to lobby any environmental campaigners to spread the word to their followers.
- **Submit your Objection:** Most importantly if you haven't already objected then pop over to [www.notohammondsfarm.co.uk/submission-form](http://www.notohammondsfarm.co.uk/submission-form) and submit your objection it only takes 5 minutes

Together, we can protect our communities and ensure our objections are heard loud and clear by Chelmsford City Council. Thank you for your continued support and dedication. Let's keep pushing forward and make our voices even stronger!
